

FAIT & DILIMA FAMILY LAW FROM TRANSITION TO TRANSFORMATION

RECOGNIZED LEADERS IN FAMILY LAW, DEDICATED TO YOUR FUTURE

FAIT & DILIMA
FAMILY LAW

Fait & DiLima, LLP has long been a trusted name in family law throughout Montgomery & Frederick Counties. The firm focuses exclusively on divorce, custody, support, domestic violence, addiction in families, property distribution, and complex family law matters, helping clients navigate one of life's most challenging transitions.

(from left to right) Michael Fortini, Esq., Dorothy Fait, Esq., Erin Schaden, Esq., Kane, Marjorie DiLima, Esq., and Austin Henderson, Esq.

Dorothy Fait and Marjorie DiLima built Fait & DiLima on the principle that family law demands not only exceptional legal skills but also deep compassion. As Dorothy retires after 50 years of distinguished family law practice, and transitions to Of Counsel and Certified Mediator, Marjorie carries the legacy forward. With over 30 years of family law experience, Marjorie brings a unique personal understanding to her practice. As both a child of divorce and a divorcée, she knows the pain, fear, confusion, and uncertainty clients face. These experiences fuel her mission: to empower clients to protect what matters most while moving forward with confidence and purpose.

The team at Fait & DiLima accomplishes this mission. With attorneys, staff, and the unique support of a Certified Divorce Coach who is also an attorney, clients receive both strong advocacy and personal guidance. As leader and visionary, Marjorie continues to carry forward the firm's legacy while shaping the firm's future: empowering clients with resilience and optimism as they embrace life's next chapter.
